Dear Fr Spitzer,

On behalf of the Council for Catechetics I would like to express our gratitude for providing us with the resources and for generously giving of your time to engage with us in adapting the Credible Catholic programme for Ireland.

The content is beautifully produced and presented, but more importantly communicates effectively the intellectual and spiritual richness of our Catholic faith. It promises to be an important resource for RE teachers in post-primary education. I look forward to promoting the programme once it is launched throughout Ireland via Diocesan Advisors and our Office for Catechetics.

Thank you once again for all your efforts in this important service of evangelization and I wish you continued blessings and success in your apostolate.

Yours In Christ,

+ Brendan Leahy
